Summary

Replacement knob for the front of a standard Kitchen-Aid mixer.

[Household](#) > [Kitchen](#)

Tags: [kitchen](#) [knob](#) [aid](#) [kitchenaid](#) [mixer](#)
[kitchenaidmixer](#)

A replacement knob for Kitchen-Aid mixers.

The visible errors in the picture happened because it was printed with a 0.8mm nozzle.

It prints better with a 0.4mm nozzle, and useably well with the sloppier 0.8mm nozzle.
