Summary

Since I was on a roll duplicating the mag base plates, I figured I'd do the follower as well.

Duplicated the Ruger 22/45 magazine follower that works in the MKII, MKIII and MKIV models.

I print it with supports, and the angled face on the print bed.

If you are looking for the base plates, [the MKII and MKIII are here](#), and [the MKIV base plates are here](#).
