Summary

Headphone holder with jabra control placing possibility

[Household](#) > [Office](#)

Tags: [headphonehanger](#) [headphoneholder](#) [jabra](#) [enc060](#)
[jabraevolve30](#)

Headphone holder with place for jabra evolve30's control thingy. (Model w/ o the plate attached too.)

Holder's inner diameter is 55mm.
For table thickness 9-29mm.

Printed with Anycubic mega

My used print directions are on the attached pictures (I liked this for the curved holder's better surface quality - not for strength considerations).

Adaptive layer height (0.2 +/- 0.10)

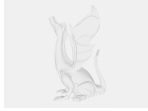

Supports needed (on main body), I used 0.4 support interface with 80% infill with triangles pattern for easier removal.
