The Scrub Daddy! It's the Apple phone of sponges - overpriced but seemingly for good reason. I hated leaving my Scrub Daddy sitting looking pitiful on the counter top; so what did I do? I went and made a nice little mount for him! (Or her if you're using the Scrub Mommy. I don't judge). All you need to do is print it, then take your preferred wall-mounting method and apply! I personally went with poster putty and it works wonders, however I question if that will work should you choose to mount this in your sink. I hope you enjoy this cute little fella smiling back at you whether you're using him or mounting him to the wall!
