Hi

This is part of the project I am doing for a school for hearing impaired children and I wanted to share this project with you. If it is useful to someone, I am very happy :)

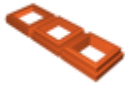

Project made on the Fusion 360 Education License program on which I'm just learning to design. Thank you Autodesk for sharing the program :)

Regards.

Printed with support

Material: ANY

# Model files

## small\_pot\_25x25mm.3mf

☐ upper, lower and middle part

---

## big\_pot\_50x50mm.3mf
