simple modern design hooks ideal for keys or something like that, i designed it at my own as soon i upload it on thingiverse but i want to support this pages... josef makes it very cool i like this pages :)

### Print instructions

clean sheet like a boss, load yo favorite filament and go to print, its kinda easy to print it you can do it at ordinary 100% i using orange Filamentum PLA, Orange its perfectly fitting to my room i using it for keys, i designed it my own.
