

3D MODEL ONLY

Asus Rog Strix Arion Cable Holder

Sizalik

[VIEW IN BROWSER](#)

updated 22. 11. 2022 | published 22. 11. 2022

Summary

I didn't want to lose my cable, so I created this.

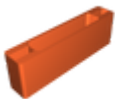

[Gadgets](#) > [Other Gadgets](#)

I used Fiberlogy Fiberflex 40D for this print. PLA or PETG would scratch the external SSD.

0.20 mm layer height

15% infill
