### Summary

This mod can be attached to the Tevo Little Monster printer using the screws already present on the printer.

Tags: [tevo](#) [tevolittlemonster](#)

This mod can be attached to the Tevo Little Monster printer using the screws already present on the printer. Another mod for sketch pen or anything that doesn't need a lot of force can be added. I have tried to create a drag knife and attach it with this mod but it flexes slightly making it inaccurate.
