updated 2. 12. 2022 | published 2. 12. 2022

Summary

A practical, small, easy to use battery puller. Snaps on with a firm satisfying "CLICK" and easily slides off.

A practical, small, easy to use battery puller. Snaps on with a firm satisfying "CLICK" and easily slides off. Easy to hang on to, but small enough to clip on to your drone bag or keep in your pocket without losing it.

Based off this model but remixed it to enable someone to actually hang on to and use:
