## Summary

This is a large utensil holder I designed for our kitchen.

[Household](#) > [Kitchen](#)

Tags: [kitchenutensils](#) [kitchenorganizer](#) [kitchenutensil](#)

Measuring 220x220x220mm this large Kitchen Utensil holder was designed to hold a lot of larger utensils.

Printed without support with a .6mm nozzle at .3 layer height. I made the bottom solid. I added small rubber feet to the bottom to ensure it stays in place on the counter.
