Summary

Replacement handle for a cheap Amazon rice cooker

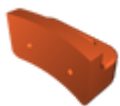

[Household](#) > [Kitchen](#)

Tags: [handle](#) [appliancepart](#) [appliance](#) [ricecookers](#)
[ricecooker](#)

I bought this [cheap rice cooker off Amazon](#) and was slightly annoyed that it didn't have a way to store the paddle. Not a big deal, but my last cooker has a small hole in the handle to store it, so I figured I'd add it myself.

This handle uses the same mounting hardware as the original, and should be a drop in replacement.
