Summary

Use some double sided tape to affix these rubber (TPU) corner guards on sharp furniture.

1.03 hrs

Prusa
MK3/S/S+

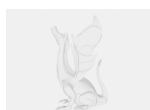

[Household](#) > [Living Room](#)

This is pretty close to a commercially available corner guard.

Print them one at a time, TPU doesn't like jumping betwixt items.

Use some glue stick, I just reapply over the old layer because the heat melts it down.
