This funnel was created for easy refilling of spice jars of "Fuchs" brand.

This funnel is designed with the following goals in mind:

- Outlet with opening suitable for spice shaker of "Fuchs" brand
- Inside diameter of outlet is increasing to the end to prevent clogging
- Handle with hook to be able to hang it to a spice rack
- Small cylindrical filling opening that can be combined with my bigger spice funnel for a bigger filling opening (see pictures)

The funnel on the picture was printed with the following settings:

- Filament: PETG clear
- Infill: 15 % Gyroid
- Layer Height : 0.2 mm
- no supports (large opening and handle on the print bed)
