Summary

Moon lamp light holder for e14 holder

[Household](#) > [Office](#)

Meant for use with this

<https://www.printables.com/model/284998-moon-lamp-remix-for-prusa-mini-e14-socket-adapter>

Scale down by 86.87%.

I was having difficulties finding a base that would fit the E14 light stand so I used the bayonet from this and built my own.

<https://www.amazon.co.uk/gp/product/B09N19V3XB>

This does not come with a stand because I am using a third party wooden stand like the one in the link above for it to stand.

This remix is based on
