Summary

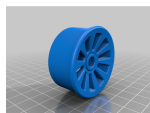

Remix to make the rotational stopper thicker to prevent it from breaking.

[Hobby & Makers](#) > [RC & Robotics](#)

This is a remix of [Losi Mini B/T2.0 Transmitter Wheel](#) by [24v](#), which is a remix of [Losi Mini B/T2.0 Transmitter Wheel](#) by [PBARSAMIAN](#).

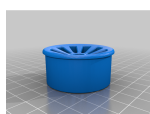

I made the rotational stopper thicker and connected it to the wall to prevent it from breaking as easily.

This remix is based on
