Summary

The Starship Enterprise NCC-1701

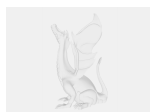

[Art & Design](#) > [2D Plates & Logos](#)

The Starship Enterprise NCC-1701

Tip: The tab on the bottom is designed for using something such as Sticky Tack (a reusable soft adhesive putty), to keep your artwork secure in even the strongest gale force winds :D

I've also made the positioning of the tab so that you can easily remove it during your slicing process, if you'd like to place the artwork on a wall.
