### Summary

Alpinetech PLB8MS 8mm 12V LED High Beam Dash Light mount for Trail Tech digital dash

[Hobby & Makers](#) > [Automotive](#)

This is a small mount I made that attaches to a Trail Tech Vapor Digital dash installed on a Honda CRF 450. The mount attaches with 3M VHB and is designed to accommodate a Alpinetech PLB8MS 8mm 5/16" 12V LED Dash Light

Please share your Make:)

Like the freebie? Feel free to buy me a cup of coffee with the

link above ;)
