[trefoil](#) [girlscoutcookie](#) [girlscout](#)

Stencil for baking cookies, cupcakes, etc to add icing, frosting, or decorative toppings in the Girl Scout Trefoil logo design. Could also be potentially used for other crafts. Added outer shape to match my trefoil cookie cutter, handle to keep fingers away from icing/decorations, and "TOP" on the upside of the stencil so the design is applied in the same direction as the logo.

This remix is based on

Girl Scout Bat Signal

by Andrew Miller
