Note Card Protective Case

Description

- This is a protective case for storing 5x3 inch (127x75mm) index cards.
- It has two compartments. The main compartment can hold up to 80 cards. The smaller front compartment can hold up to 30 cards.

If you do not want the decorative fish on the front, there is a plain version.

Print Information

Nozzle - 0.6 or 0.4

Supports - NO

Print Orientation - Upright - The opening for the cards faces up and the bottom of the container is on the bed.

Enjoy

If you would like to see any changes or have recommendations, please leave a comment so I can improve the model.
