Summary

To mount your tp-link devices

[Gadgets](#) > [Computers](#)

Tags: [link](#) [rack](#) [rackmount](#) [19inch](#) [tplink](#) [tp](#) [er605](#)
[oc200](#)

With this design you can mount your TP-link ER605 and OC200 the proper way.

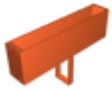

You will also need the Ubiquiti Networks ER-RMKIT.

I used M3 10mm screws to screw the printed parts together.
