Summary

A simple clip to mount the small PCB of a SNZB-04 to an Actaris G4 RF1 gas meter.

[Household](#) > [Other House Equipment](#)

Tags: [gas](#) [home](#) [meter](#) [sensor](#) [smart](#)

The alignment of the reed switch is optimized, so its not missing an impulse of the gas meter.

Just get the PCB out of your SNZB-04, put it in the clip and install the clip to your gas meter.
