updated 24. 11. 2022 | published 24. 11. 2022

Summary

Quick remix of one great thingiverse HEVO upgrade

[3D Printers](#) > [3D Printers - Upgrades](#)

Tags: [hevo](#) [cftube](#)

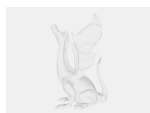

Adapted R and L XY joiners for using CF square tube for X axis. Saved 160g of weight.

Original project here: <https://www.thingiverse.com/thing:4460475>

I know, that Hypercube Evolution printer could be outdated... But I love that cube and won't stop chasing new upgrades :D

Print two plugs and one of each joiner.
