Simple screwdriver holder for Ikea skadis pergboard system.

back row: 5 x 12mm holes

front row: 4 x 8mm holes

You also need 4 x Skadis_Universal_Hook.stl from <https://www.thingiverse.com/thing:2853257/files>

It has a bit of a loose fit with these, so mount the universal hooks to your skadis board first, and then hang the holder on them.
