Please enjoy this original design of a cuddling snow couple.

There are **three versions to choose from**:

- Easiest, Whole Model Couple (Prints in single colour)
- Easy, Model with separate caps (caps & pompoms printed individually and glued together then onto snowmen heads). No colour change needed.
- Moderate, Model with separate caps (whole caps printed with 2 colour, manual change and glued on)

Carrot noses, caps / cap parts (if printed separately) are printed and glued on.

There are small brims on the caps and noses. Simply trim those off before gluing :D

The coal pieces were too small to print on their own so I painted the integrated pieces on the couple.

Please hit the like ♥ and post your make with the “Post A Make” button (below the “DOWNLOAD” button) on this page. Also, Please rate my print if you like it.

Thanks :D
