Tags: [decoration](#) [christmas](#) [star](#) [winter](#) [ornament](#)

The star can be popped in and out of the ring fairly easy, so you can combine multiple colors. That also means, the star rotates freely - although not very smooth - inside the ring.

Printed with 0.2mm PLA, no supports, 10% infill (although most will be walls) without any issues.

Size is about 48mm x 50mm
