This is a blade remix for the amazing <https://www.printables.com/model/186619-modular-mini-server-case>

I needed a blade that fit the WD - Easystore 5TB I use for my Plex media. I kept it easy to print by printing each piece and just gluing them together but I am sure it can be printed together with minimal support.

This remix is based on

Modular mini server case

by IBI Productions
