Mounts Intel RealSense D435 camera to OpenBuilds 20x20mm extrusion.

Optional zip tie strain relief on USB cable with included shim.

My thing <https://www.printables.com/model/326548-base-for-v-slot-20x20mm-extrusion> can be used as a base for the extrusion.

If you need a tilting mount, check out <https://www.printables.com/model/326546-intel-realsense-d435-camera-gopro-adapter>
