### Summary

1x3 gridfinity design that holds small, medium, and large ink cups typically used for tattooing

[Hobby & Makers](#) > [Organizers](#)

Tags: [organizer](#) [tattoo](#) [gridfinity](#)

Simple design but useful. Holds small, medium, and large ink cups that I use for tattooing but I know many people that paint use similar style cups.

The words get a little lost so I did make a version without the words to clean it up. I can upload it if requested

I used:

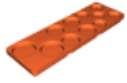

PLA+

20% infill

60 mm/s

supports with a brim
