Tags: [stand](#) [keyboard](#) [mechanicalkeyboard](#) [keyboardstand](#)

Sturdy stand for even heavy keyboards so you can display them in a minimum of space. Optimized as much as possible to balance sturdiness with printing speed.

These will also work to display anything else that would fit like pictures, plates, et cetera.

Printing Tips

- Sliced file provided for site metrics, I recommend slicing your own for best results.
- No supports necessary.
