### Summary

Holder for Fossil Collider HR

[Gadgets](#) > [Portable Devices](#)

Tags: [gadget](#) [charger](#) [smartwatch](#) [smartwatchstand](#)  
[thingiverse](#) [smartwatchcharger](#) [smartwatchholder](#)

a holder for the Fossil HR Smartwatch with hidden cable routing that is guided straight down the holder. The normal supplied charging plug can be used, it is slightly conical and therefore easy to press in and holds perfectly. No glue needed. Print it flat as in the 3rd picture with support at the hole for the round charging connector.

### Print Settings

#### Printer Brand:

Crealitiy

#### Printer:

Ender 3

#### Rafts:

No

### Supports:

Yes

### Resolution:

200

### Infill:

20
