### Summary

Simple drain and tray to keep your artisan soaps dry and beautiful.

[Household](#) > [Bathroom](#)

This soap rest accommodates soaps up to 3" square.

The soap rest was printed with a .6 nozzle, .2 layers, 3 perimeters, 0 top & bottom layers and 15% honeycomb infill. Experiment with different infill patterns and densities.

The base tray was printed with a .6 nozzle, .2 layers, 3 perimeters, 3 bottom layers and 15% infill.
