This is a spare part for the geuther children stair gate.

1.45 hrs

1 pcs

0.08 mm

0.40 mm

PET

14 g

Creality
Ender 3

[Household](#) > [Other House Equipment](#)

As i was missing to foots for my Geuther children stair gate, i modeled and printed them.

The same part is used as a spacer to the wall, but i decided to use the printed parts as foot only, as they have less stress on them in this application, but theoretically this should also work.
