Hide all the circuits behind this sleek display stand for an [Adafruit 2.13" eInk / ePaper Display FeatherWing](#).

- Definitely recommend printing with supports.
- Attach your FeatherWing behind the stand with [some nylon M2.5 Thread screws](#).
- You may want to add some spacers in between the stand and the nut on your machine screws to ensure you're not placing pressure on the display.

Not affiliated with Adafruit in any capacity, just making cool projects with their stuff!
