Summary

Made the unicorn pusheen cat 3D.

[Seasonal designs](#) > [Winter & Christmas & New Year's](#)

Tags: [cat](#) [ornament](#) [pusheen](#) [unicorn](#) [christmasornament](#)

This model will need support for the tail. And may need some build plate adhesion, because only a small area of the body and legs are touching.

Made two versions, one is an ornament version and the other a non-ornament version.
