Two Cards! Two Charizard!!

First edition card in 3D and in 4D!! Charizard will come out of the card!

I worked a lot to share my design with you!

It is a delicat work of high precision. I hope you will love it!

Charizard 3D

Charizard 4D

Warning FDM Printing : Print it as large as possible!

This design is made for SLA printing! I print the 4D model and it comes great!

You are the print quality manager, not me! ;)

Enjoy!

@Val's design
