Summary

Mandalorian helmet. Small size to fit a doll. Thicker wall for easy printing.

Remix of the “The Mandalorian” by [ReProps](#). The helmet is resized to 20% of original to fit a barbie doll :) The size is cca 40x47x51mm now. The skin became too thin to reliably print so made it thicker by inserting inside the helmet progressively smaller helmets and joining them together. (don't judge, it was faster than to remodel)

Printed with support painted on the edges.
