NOTE: Two versions: One that DOES require supports under her chin, and one that doesn't. The files are clearly named.

Wonder Woman :) I don't make a whole lot of sculpts of women, but I'm slowly trying to change this and have recently made a few, and this is one of those.

Print instructions

If you want to print without supports, choose wonder_woman_bust_no_supports.stl

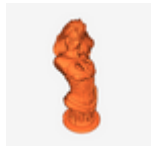

If you want to print the version with the head at a lower angle, you need to print wonder_woman_bust_supports.stl with supports under her chin.
