A simple desk organizer designed to fit all the needs. With some thought out details to store a ruler and some sticky notes (77mm x 77mm or 3" x 3").

Update 2023-07-17:

Added revision 2 with scalloped corners in the small parts trays.

Print instructions

Simple print with no support necessary.

Optionally you can cut some foam pads and push them down into the three boxes. This way the pens don't make a loud noise when you drop them in.
