Summary

After the positive feedback on my first samurai mask I decided to make another one on the subject.

12.30 hrs

1 pcs

0.20 mm

0.40 mm

PLA

95 g

Prusa
MK3/S/S+

[Costumes & Accessories](#) > [Masks](#)

After the positive feedback on my first samurai mask I decided to make another one on the subject. The design is similar yet different enough that this one is much easier on support material use and is also faster to print.

Print instructions

This one was printed with PLA, the support material used is less than in the previous masks. The scale should be used as provided in the file.
