[trashbin](#) [wastebasket](#)

This is just a simple desktop or bathroom trash can with a swing-top lid.

It has a 150 mm diameter and is 158 mm tall, so fits a lot of places easily, but isn't too small to not be useful.

- Print the Lid and Lid Base upside down.
- No supports needed
- Use at least 50% infill for the swing lid so that the counterweight will work properly

Please like the model if you think it's useful!
