Here i created an Heart shaped Frame with a Love Sign as Stand for the Heart.

it fits Heart shaped Lithophanes made by itslitho.com

Please hit the Like Button to show some love :)

Upload your Makes or Comment if you have ideas to make it better.

Update: 15.01.2023 added a new Backcover that holds stronger, please download Deckel_V2 to get the new one.

Update: 20.01.2023 added an Inlet to help the Lithophane stay in place.

Update: 22.01.2023 added Picture Frame (Bilder Rahmen), LED Backcover.

I Hope you Like my Design :)

Here i made a Video of the Print. i will add a Backcover like the one in the Video with Instructions and Amazon part list. I will also add a Frame for normal Pictures so you can use it without a Lithophane. Happy Printing :)

Print Settings

Printer Brand:

Creality

Printer:

Ender 3 Pro

Rafts:

Doesn't Matter

Supports:

No

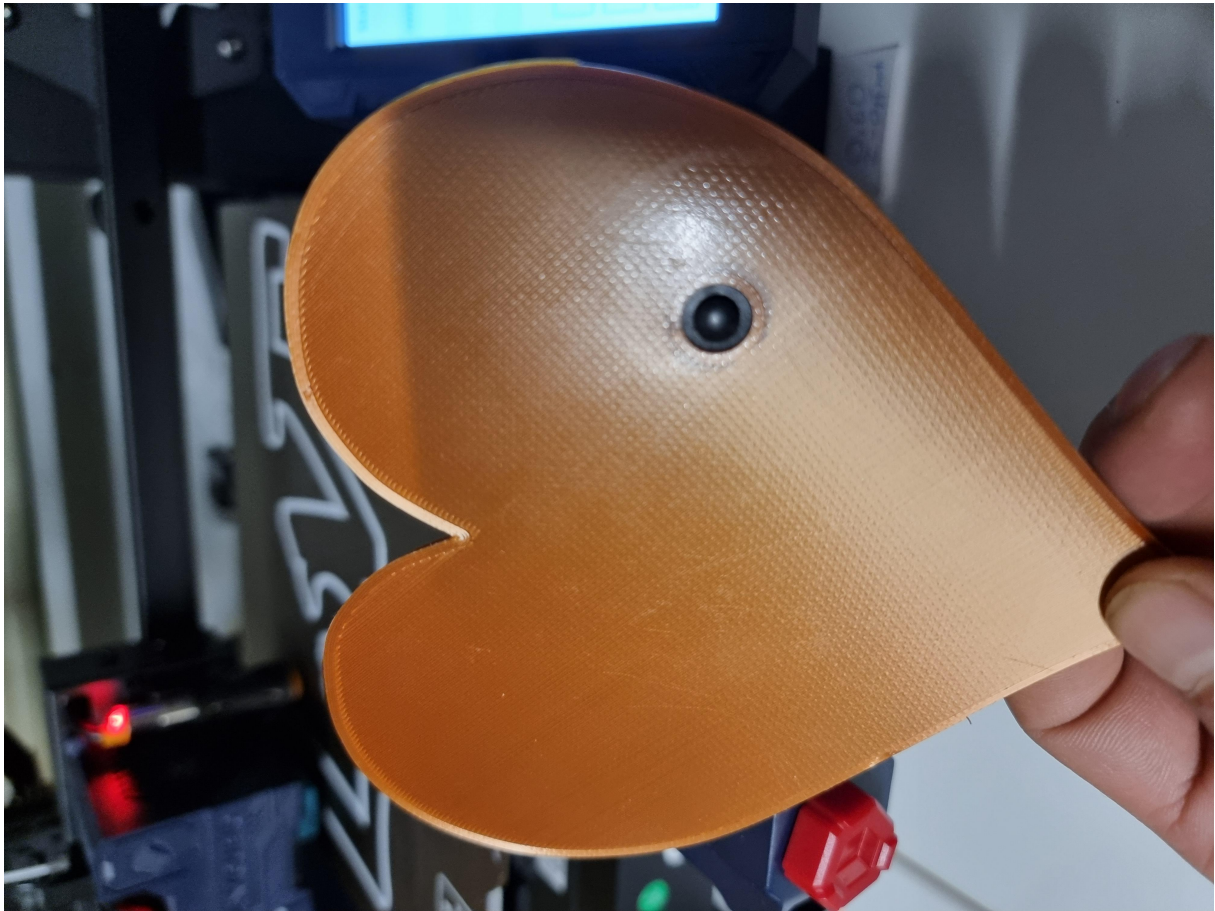

Infill:

99%

Filament:

Janbex PLA

White Post-Printing =====

Amazon Part List

I used the following Parts from Amazon:

LED:

Switch: <https://amzn.eu/d/3a2jutB>

Batterie: <https://amzn.eu/d/cO3qo9N> (normal CR2032 2x)

Solder the LED Parallel to get the best Lightning.

How I Designed This

Designed with Fusion 360 to fit Lithophanes created by itslitho.com

Custom Section

This are the settings to use for the Heart Shaped Lithophane
