Summary

DJI mini 2 Drone display stand.

[Household](#) > [Home Decor](#)

Tags: [djimini2](#) [droneaccessories](#) [stand](#) [dji](#) [drone](#)
[displaystand](#)

Printed using curas default supports. Does require some tidying up where the supports join the top sections.

I will be looking at updating this to try and remove the need to supports but thought id share for now.
