Summary

Honeycomb wall files here and also check out my Screw Wall

[Hobby & Makers](#) > [Organizers](#)

Tags: [storage](#) [hcw](#) [honeycombstoragewall](#) [honeycombwall](#) [storagewall](#) [threadboard](#) [screwwall](#) [multiboard](#)

Honeycomb Wall parts I designed, I also created my own Screw Wall that is much stronger and many more available tool holders (over 300) check it out! Thanks for looking. Screw Wall now has over 50 Club subscribers! I also have created more tool holders than any other platform other than HCW. You can also store items up to 10 pounds unlike other storage walls with press fit part holders. This is the best available.
