updated 5. 7. 2019 | published 5. 7. 2019

Summary

I needed a better way to configure my first layer. I use this print to do live z adjustments.

0.22 hrs

1 pcs

0.20 mm

0.40 mm

PLA

1 g

Prusa
MK3S/S+ &
MMU2S

I needed a better way to configure my first layer. I use this print to do live z adjustments.

Print instructions

I find this to be a good test. it handles allot of the shapes that will ruin a print of the first layer does not have a good print.
