Summary

iron man mark 85 helmet

Costumes & Accessories > Cosplay & Costumes in general

iron man mark 85 helmet

please size to your head before printing

https://www.thingiverse.com/thing:4607836 link to motorize this helmet you will need some mg90 or sg90 servos

the video below this a great video on how to make the helmet motorized by frankly built go check it out it is a great way of breaking it down and making everything work properly
