klicenka burnout outline blinker regalo ideal
combustion solex mbk twowheels denim akrapovic
vntage skuturu

One for every kind. Simple and fast to print. Just attach it through one of the wheels as shown in the picture. This is a very quick and easy print and a great way to use up the last meters of your filament.

- If you are looking for a similar key identifier for your roadbike click [here](#)
- If you are looking for a similar key identifier for your fixie / singlespeed click [here](#)

And if you'd like to support my work, leaving a ♥ **like** ♥ or even **buying me a coffee** ☕ goes a long way. I love creating and sharing my designs, but my Mk2.5s is getting old, and every bit of support helps.
