updated 6. 4. 2023 | published 6. 4. 2023

### Summary

Needed to adapt 18650 battery to fit in place of 20700.

[Hobby & Makers](#) > [Other Ideas](#)

The sleeve length is the size of the 20700. If you need the length of the 18650, in the slicer only change the size in the Z coordinates. I used a brim of 10 in printing.
