updated 28. 5. 2023 | published 28. 5. 2023

Summary

A coaster based on the drumhead of the retired Fort Wilderness Railway

[Household](#) > [Other House Equipment](#)

Tags: [world](#) [walt](#) [wilderness](#) [fort](#) [disney](#) [camp](#)
[railroad](#) [ground](#) [campground](#)

It is what it is. Same as many other coasters, as long as they keep distance between a drink and **that** piece of furniture.
