Tags: [hexagon](#) [pencil](#) [pen](#) [honeycomb](#) [hex](#) [penholder](#) [pencilholder](#)

A honeycomb (and most importantly - **hexagonal**) organizer to store your pens and pencils. After all, hexagons should be everywhere - even on our desks!

There are two versions:

A 100% scale version for almost any pen and even some markers

A 75% scale version that works just fine for smaller pens, so they don't wobble around excessively in a huge space
