### Summary

Magnetic coupler for Vertuo track. Wraps around the joint of two tracks with a flat disc magnet underneath.

[Household](#) > [Kitchen](#)

Tags: [nespresso](#) [vertuo](#)

This is a coupler meant to be used in combination with the fantastic Nespresso Vertuo Pod tracks published by ecarlson8 here: <https://www.printables.com/model/54959-nespresso-vertuo-pod-track>

This coupler reinforces the joint of two track pieces, wrapping around the track. The coupling has a cutout for a flat disc magnet. Together this allows the track to be mounted vertically to the side of a fridge or other magnetic surface.

I used [these magnets](#) specifically, which measure 32 mm in diameter and 3 mm thick.
